Students of all races/ethnicities are treated equal			
Percent of students who agree that:			
Parents notice and comment on student's good work			
Parents involve student in making family decisions			
It is important to be honest with parents regardless of consequences			
Student could ask parent for help with a personal problem			

Missouri Student Survey is conducted biennially.
Similar affirmative response choices for individual questions are combined.
Blank data cells indicate estimates are not available for item or geographic area.
Survey is not conducted in every school district nor reported for every county.
Estimates are not available for counties with small numbers of respondents.
Percentages are estimates based on weighted data.
Some year-to-year differences in percentages are not statistically significant.
