

The Missouri Department of Mental Health Division of Developmental Disabilities will be offering training via webinar on the Habilitation Center Transition Process on two separate occasions in October, 2014. The webinar will consist of a power point presentation describing the transition process for individuals seeking to transition to the community from a habilitation center. Support Coordinators and providers interested in supporting individuals transitioning from a habilitation center are encouraged to attend.

Presenters:

Lacie Varner, Support Coordinator with The Center for Human Services in Marshall, MO. Lacie serves as the Transition Coordinator for individuals transitioning from the Marshall Habilitation Center.

Lisa Turner, Statewide Coordinator of Community Transition, Division of Developmental Disabilities

Two opportunities to participate in this webinar – Dates and times:

October 8, 2014 – 1:00 pm to 3:00 pm

October 20, 2014 – 10:00 am to 12:00 pm

Both sessions will include the same content; therefore, participants may choose a date and time most convenient for their schedule.

These webinars will occur by use of the Adobe Connect Pro Meeting web conference format so that participants can view and hear the presentation from their computers. There is no separate call-in line for this webinar. Participants may type and submit questions and comments during the presentation via a Question and Answer format through the Adobe Connect Pro. The power point presentation and accompanying documents will also be made available for download to participants' computers 15 minutes before and after the webinar.

There is a limit on the number of computers that can be accessed during each webinar; hence, it is requested please where possible if participants, for example from the same agency office, can make arrangements to view the webinar as a group from the same computer.
