### **CLINICAL EXPERIENCE**

Fulton State Hospital April 2007—Present  
600 East 5<sup>th</sup> Street  
Fulton, MO 65251

*Position:* Certified Forensic Examiner

*Responsibilities:* Complete court ordered Competency to Stand Trial, Criminal Responsibility, and Sexually Violent Predator Evaluations. As a faculty member, I also provide training and supervision for predoctoral students on internship (APA Accredited internship site).

Fulton State Hospital October 2004—March 2007  
600 East 5<sup>th</sup> Street  
Fulton, MO 65251

*Position:* Licensed Staff Psychologist

*Responsibilities:* Served as a Staff Psychologist covering two wards within the Cognitive Behavioral Rehabilitation Program. Duties included conducting individual and group therapy primarily addressing personal matters, mental illness insight, and sex offending and general criminal behavior. Provided client case management. Completed psychological evaluations and court ordered forensic certificates for responsibility and competency to stand trial. Consulted with treatment teams representing a variety of disciplines. As a hospital faculty member, I also provided training and supervision for pre-doctoral students on internship (APA Accredited internship site).

Fulton State Hospital August 2003—August 2004  
600 East 5<sup>th</sup> Street  
Fulton, MO 65251

*Position:* Intern

*Rotations:*

Social Learning Program—Worked with a multidisciplinary team in the delivery of an empirically-validated serious mental illness rehabilitation program. Specific duties/training included facilitating groups that addressed sex offender, dual diagnosis, and social skills issues as well as shaping attention skills. Also provided individual therapy, psychological assessments, and consultation.

Dialectical Behavior Therapy—Duties, responsibilities, and training included: Facilitating DBT groups, individual therapy, psychological assessments, and consultation. Was instrumental in the implementation and development of a research protocol for a pilot study providing direct 24-hour contact between patients and therapists for patient coaching.

Forensic Evaluation—Conducted evaluations and completed certificates for Competency to Stand Trial and Criminal Responsibility, and received training for Sexually Violent Predator evaluations.

Program Evaluation—Received training on constructing relational databases. Built data bases to evaluate programming, client progress, and data collection for clinical research.

Northwest Mental Health Center Inc. November 1998-January 2001  
P.O. Box 603  
Crookston, Minnesota 56716-0603

*Part-Time Position:* Domestic Violence Coordinator

*Responsibilities:* Facilitated domestic violence and violent offender treatment groups; conducted intake interviews and diagnostic assessments; developed a treatment curriculum; maintained contact with probation and the courts regarding offender compliance and treatment completion; maintained an offender data base and managed a six-county treatment program; assisted in establishing funding and program development.

Community Violence Intervention Center May 1996-March 1999  
211 South 4<sup>th</sup> Street  
Grand Forks, North Dakota 58201

*Part-Time Position:* Group Facilitator

*Responsibilities:* Facilitated domestic violence offender treatment groups; conducted intake interviews and maintained collateral contacts with courts and allied agencies.
