Buckle Up Phone Down Challenge

Join the MO Division of Developmental Disabilities and other state agencies as we accept the Buckle Up-Phone Down Challenge. Changes to the [State Vehicle Policy \(SP-4\)](#) to improve the safe operation of state vehicles will be implemented effective June 1, 2018. We hope that you will also participate in this safety initiative.

For individuals and businesses/organizations, the challenge is simple: when you get into any vehicle, buckle up your safety belt. If you are a driver, put the cell phone down. Turn it off if you have to. No texting and no talking unless hands free. For more information and to accept the challenge: <http://www.modot.org/BuckleUpPhoneDown/>
