Behavioral Health Division Director’s Report, Budget Update, 42CFR Part II Update	<p>Mark Stringer, Division Director</p> <ul style="list-style-type: none"> • Dr. Rick Gowdy is now the Deputy Division Director and Dr. Gregory Markway is the Director of Forensic Services. <p>Budget</p> <ul style="list-style-type: none"> • Capital gains tax is much lower than estimated • Governor vetoed several tax bills. If veto’s are overridden there will be approximately \$420 million more cut from budget • DMH will only be asking for mandatory items in the budget or critical things that are needed by the department. <p>Excellence in Mental Health Act</p> <ul style="list-style-type: none"> • January 1, 2015 there will be 25 planning grants issued and then 8 states will be chosen • January 2017, 8 states will be selected for the pilot projects (Certified Community Behavioral Health Clinics) • This will create a new way of paying for services. (Prospective Payment System) • Mark would like for Dorn Schuffman to speak to the SAC council on this project. John asked if OSCA should be involved in the process. Mark asked that we have OSCA come to speak to council also. <p>42CFR Part II</p> <ul style="list-style-type: none"> • Cannot share or re-disclose information substance use disorder information without individuals consent • Under HIPAA there are some documents that can be subpoenaed. Under 42CFR they cannot be obtained. • This is a very important issue and at some point the Substance Abuse Mental Health Association will change the rules for 42CFR Part II. At that point we as a state may weigh and take a position about the new rules. • Ladell-42CFR Part II does not only protects the individual but also the agency. He feels that reducing the protection is dangerous. 	<p>Ask Dorn Schuffman and a OSCA representative to speak to council</p>
