

EARLY CHILDHOOD MENTAL HEALTH: TIPS AND STRATEGIES

Friday, August 25, 2017
9:30 a.m. - 4:00 p.m.

Governor's Office Building
200 Madison Street
Jefferson City, MO 65101

Co-sponsored by:

MISSOURI CHAPTER of the
AMERICAN ACADEMY OF PEDIATRICS

School of Medicine
University of Missouri Health System

Conference Description

The University of Missouri, School of Medicine, Missouri Chapter of AAP, Missouri Department of Mental Health and Missouri Project LAUNCH, are pleased to present the Early Childhood Mental Health: Tips and Strategies Conference. Through the accredited CME activity, we will cover behavioral strategies to support parents, use of off label medication to treat young children, addressing maternal depression and how to work with educational settings serving your young patients. We will address these issues and their potential effect on future practice patterns in an effort to continue to improve care for young children.

Who Should Attend

This event is designed for **pediatricians, family practitioners** and **advance nurse practitioners** who provide medical care to young children. Please contact us if you are interested in bringing additional members from your clinical team.

Conference Objectives

- Understand the use of psychotropic medications in children
- Understand the importance of identifying maternal depression in the primary care office. Learn tools that can be utilized to screen for maternal depression. Understand how to incorporate screening tools in your practice.
- Obtain knowledge of parenting tips and strategies for young children.
- Learn how to communicate with referral sources and educational settings to best meet the needs of young children and families.
