FROM: Nora K. Bock, Director of Adult Community Treatment *NB*
Connie Cahalan, Director of Children's Services *CC*
RE: Limit Changes for Psychosocial Rehabilitation (PSR) Services

Recently the Division of Behavioral Health (DBH) worked with the MO HealthNet Division (MHD) to change the limitations for PSR services. The purpose of this change is to establish parameters around service provision similar to other like services and allow increased provision of PSR and PSR/IMR services. The following changes became effective October 1, 2015. These changes will be monitored by CIMOR business rules.

Service	Previous Unit Limitations	New Unit Limitations Effective 10-01-15
PSR – H2017 PSR Youth – H2017 HA	6 hours (24 units) limit per day	Limit PSR and PSR/IMR 10 hours (40 units) per day. Note - This limit would be either individually for each service code or in combination
PSR/IMR – H2017 TG	No limits	
Individual Professional PSR - H2017 HO	No limits	Limit to 12 units per day
Group Professional PSR - H2017 HO HQ	No limits	Limit to 12 units per day
