Elks Mobile Dental Program

The Elks Mobile Dental Program has provided free high quality dental care for children and adults with Intellectual and Developmental Disabilities (I/DD) for over five decades. The three units, staffed with licensed professionals with experience treating individuals with I/DD have the capacity to see up to 3,000 individuals annually. Click on this link to see when a mobile dental van will be in your area <http://www.trumed.org/files/elks-mobile/Elks-Mobile-Dental-Program-Schedule.pdf>.

For appointments, call 573-690-6003. While the units are able to see patients on an emergency basis, it is recommended that appointments be scheduled at least two weeks in advance when possible.

For more information, please visit their website at:
