

## *FYI Fridays*

### **Policy Guidance and DBH Updates**

*November 9, 2018*

1. **DMH Mental Health Commission Meeting** – The Commission convened on Thursday, November 8 at DMH. While the different divisions gave updates, the featured presenter was Anne Precythe, Director of the Missouri Department of Corrections. Anne provided an overview of the Justice Reinvestment Initiative, which aims to reduce returns to prison, improve community integration for offenders, and ultimately, avoid the construction of two new prisons. There are numerous projects at play within the DOC. The DMH is partnering with DOC's Probation and Parole on the JRI Treatment Program. It is being piloted by the behavioral health providers in Boone, Butler, and Buchanan Counties.
2. **Coalition for CBHC Medical Directors' Meeting** – the next convening of this group is scheduled for **Monday, November 26, from 10 a.m. to 2 p.m.** at the Coalition office in Jefferson City. Agenda items include:
  - Discussion of first set of BPM data
  - CareManager Update
  - A clinical presentation on Sublocade, the first FDA Approved monthly buprenorphine injection indicated for the treatment of moderate to severe opioid use disorder
  - Discussion of recent Medicaid policy changes re opioid prescriptions
  - Topics for the spring Physician's Institute and the upcoming (January 28<sup>th</sup>) joint meeting with MPCA medical directors
  - Discussion of legislative priorities – come prepared with your suggestions
  - Discussion of CCBHC self-assessments
  - Discussion of best ways to address smoking cessation
3. **Laurent Javois to be Honored at 2018 Snow Ball - Mental Health America of Eastern Missouri** will present Laurent Javois, DMH's Regional Executive Officer for the Eastern region, their Silver Bell Award at their annual ball on December 7.

*"Having held leadership positions in the field and central office of DMH, Laurent always brings a broader community perspective focused on integrated treatment to his role in the St. Louis region. Colleagues and friends describe Laurent as thoughtful, strategic, prudent, with a quiet nature and able to engage with everyone.*

*In the aftermath of Ferguson, his ability to handle crisis and work calmly under pressure was on full display. He carefully considered and thought through the numerous processes needed to scale transformative ideas so that all stakeholders felt heard, engaged and empowered. This ability brought him to a volunteer leadership role in St. Louis ReCast which is working to improve communities by funding micro-grants in the St. Louis Promise Zone.*

*With an ability to be a behind-the-scenes force for change, Laurent inserts himself where he is most needed including the creation of the Behavioral Health Network, the Psychiatric Stabilization Center, Bridges to Care and Recovery and Forward through Ferguson."*

4. **Region 7 Recovery Stakeholders Learning Committee** - Mid-America ATTC and Missouri Recovery Network (MRN) are collaborating to establish a Region 7 Recovery Stakeholders Learning Community. This Learning Community will provide a networking bridge among recovery stakeholders in the four states in Region 7 – Iowa, Kansas, Missouri and Nebraska. They are hoping a broad spectrum of professions will be represented

as well as persons from the recovery community themselves. The sessions will be **12:30 to 1:30 p.m. the last Thursday of each month beginning in November** (and skipping December).

- **The first session is Thursday, November 29, beginning at 12:30 p.m.** The topic of the first session is **Trauma: What You Need to Know** will be presented by Roxanne Pendleton, MDiv, with Truman Medical Centers Behavioral Health. Participants will assist in determining topics for future sessions.
