

Improving lives THROUGH supports and services
THAT FOSTER self-determination.

3/9/18

Be MOre Aware: March is Developmental Disabilities Awareness Month

Benefits of Employing People with Disabilities

There are many benefits to hiring and working with people with differing abilities. By giving people opportunities to share their diverse skills and abilities as well as recognizing their desire and determination to work, organizations can open the doors for everyone to be successful in the work place. <https://youtu.be/ULNAownnPL0>
