Missouri Developmental Disabilities Council State Plan

Comments Requested

The Developmental Disabilities Councils are charged with developing a five year state plan (2017-2021). The state plan is the Council's "plan of action" so that it can impact areas of need that were highlighted by input from Missouri citizens with disabilities and their family members.

[You can view the five year plan online](#)

Please submit any comments about the additions of Housing and Voter Identification to: Missouriddcouncil@gmail.com no later than Friday, May 25, 2018 at noon.
