Missouri ABLÉ program

The Missouri Achieving a Better Life Experience (ABLE) program was launched in 2017 by Missouri State Treasurer Eric Schmitt. The Missouri ABLÉ program offers tax-free savings accounts for Missourians with disabilities. These accounts do not have a negative impact on a person's Medicaid eligibility status.

For more information regarding the program, frequently asked questions are on the Missouri ABLÉ website at: <https://www.moable.com/faq/>

State Treasurer Schmitt will be in Kirksville on Wednesday, March 28, to talk about the program and answer questions. The public is invited to attend this event. For details, click [here](#).
