Elks Mobile Dental Program

The Elks Mobile Dental Program has provided free high quality dental care for children and adults with Intellectual and Developmental Disabilities (I/DD) for over 4 decades. The two units, staffed with licensed professionals with experience treating individuals with I/DD have the capacity to see up to 2,000 individuals annually. Click on this link to see when a mobile dental van will be in your area <http://www.trumed.org/files/elks-mobile/Elks-Mobile-Dental-Program-Schedule.pdf>.

For appointments, call 573-690-6003. While the units are able to see patients on an emergency basis, it is recommended that appointments be scheduled at least 2 weeks in advance when possible.
