Directive 3.120: Process to Implement Do Not Resuscitate (DNR) Orders for Individuals Receiving Contracted Services

Directive 3.120 has been finalized and replaces Directive 3.080 - Non-Hospital Do Not Resuscitate Orders in Division of DD State and Contracted Facilities. Directive 3.120 defines the process and criteria for obtaining a DD DNR authorization and incorporates a notification process for individuals who have secured both hospice services and a (DHSS) Out-of-hospital DNR.

Directive 3.120 - Process to Implement Do Not Resuscitate (DNR) Orders for Individuals Receiving Contracted Services includes the following Appendixes:

Appendix A - Outside the Hospital DNR (OHDNR) and Hospice Services Notification Form
Appendix B - Statement of Terminal Condition
Appendix C - Do Not Resuscitate Order
Appendix D - Alternative to Cardiopulmonary Resuscitation (CPR) Order
Appendix E - Overview of the DMH Process to Implement Do Not Resuscitate Orders for Individuals Receiving Contracted Services
