2019 Director's Creativity Showcase

The Missouri Mental Health Foundation, in collaboration with the Missouri Department of Mental Health, is sponsoring the 2019 Director's Creativity Showcase. The showcase helps to acquaint the general public with the talents of the people it serves. These are individuals receiving services through the Missouri Department of Mental Health who are living with mental illness, developmental disabilities and/or substance use disorders. The art show encourages people to try something they may previously have never considered possible, only to find they have a true creative talent.

Deadline for submitting to the Showcase is Friday, January 25, 2019.

For more information about the showcase, you may visit the Missouri Mental Health Foundation website at: http://www.missourimhf.org/?page_id=3351.
