Online Employment Learning Community

Employment First Missouri, a collaborative between the Division of Developmental Disabilities and the Institute for Community Inclusion at University of Massachusetts-Boston, has launched a new professional development opportunity. Monthly learning communities will occur the third Tuesday of each month.

Join the Employment First Missouri Community on **April 16, 2019** from **2:00 PM - 3:00 PM (central)** for an interactive web session as we discuss strategies for *Attracting and Retaining Staff*. Objectives for this session include:

- Creative strategies for recruiting high quality staff
- Identifying desirable staff and workplace characteristics
- Practices to assist in retaining staff
- Innovative and inclusive approaches to addressing staffing challenges while increasing efficiency of services
-

[Registration](#) is required to participate.
