Recorded Webinar Now Available

Monitoring Psychotropic Medication

The Monitoring Psychotropic Medication webinar, presented by Melantha Witherspoon, Area Behavior Analyst, and Dr. Terri Rodgers, Chief Behavior Analyst, was held on February 1 with 220 registrants in attendance. This webinar provides an overview and the purpose of psychotropic medication, which includes the role of the Contracted Behavioral Provider, the role that psychotropic medication may play in the assessment and intervention process, and the Best Practice Model for Psychotropic Use. The target audience for this webinar is: Licensed Behavior Analyst, Licensed Professional Counselors, and Licensed Clinical Social Workers, Service Coordinators, Home Managers and other Division/Regional Office staff.
