

SATOP

Missouri Substance Abuse Traffic Offender Program

Mark Rembecki, Division of Behavioral Health Department of Mental Health

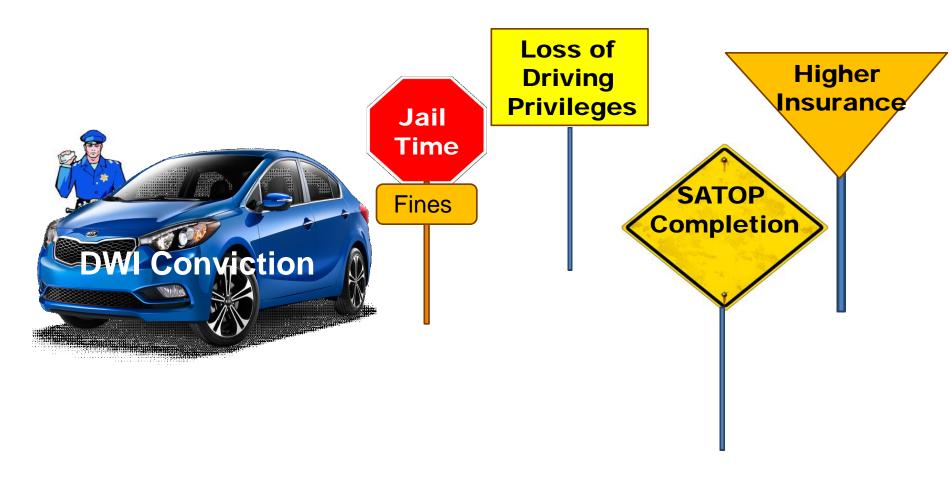

What is SATOP?

- A program designed for individuals who have been convicted of or found guilty of:
 - Alcohol and/or drug related driving offenses
 - "Abuse & Lose," "Zero Tolerance," and possession offenses (minors)
- Offers a comprehensive drug and alcohol assessment and an array of interventions

狊

Alcohol, Other Drugs and the Law

The Arrest is Just the Beginning

Steps to driving again:

- Criminal Action –pay fines, possible jail time
- 2. Administrative Action
 - A. Dept. of Revenue depending on the offense, will have license suspended/revoked, must demonstrate insurance, pay reinstatement fee, other consequences
 - B. Dept. of Mental Health SATOP

Completing the Requirements

 Traditional SATOP track: an assessment and referral to a program for a specific level of care based on the offense and the person's needs. • Alternative: option of completing a "comparable" program. These treatment programs can vary by state, but are similar enough to MO's that we accept as an alternative

SATOP

Option 2

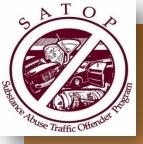

SATOP Screening Assessment

Offender Management Unit (OMU)

Which Program Must I Complete?

- * Depends on a combination of the following:
 - * Score on the Driver Risk Inventory (6 measures)
 - * Blood Alcohol Content (BAC) at time of arrest
 - * Previous history of treatment for substance use disorders
 - Prior history of DWI/DUI
 - * Meeting diagnostic criteria for a substance use disorder
- * Determined by OMU (screening agency)

The Assignment

- Obtain Assignment Form from OMU agency
- Comply with recommendation within 6 months
- Pay applicable fees

Options After the Assessment

- * **Second opinion** get referral to go to a different OMU, pay fees again
- * Judicial review petitioning judge to get a less intense program assignment

SATOP Track

After successful completion of assigned program:

- Re-contact the OMU (screening agency)
- 2. OMU enters info in a DBH web-based system
- Individual receives a hard copy of Completion Certificate
- 4. The Department of Revenue automatically receives an electronic copy of Completion Certificate next day
- 5. Meet minimum requirements of Revenue

What We Need:

- * Email concise/precise detail as feasible
 - Name, address, phone number, email
 - Consumer name, age or birthdate
 - Services the person is receiving or seeking
 - Concrete concerns about a provider or program
- Ask what they specifically want/need
- * If they are difficult or upset, do warm handoff to ACI line

What We Do:

- * Check our system and appropriately follow-up with existing consumers:
 - Wellness check
 - Investigate complaints or concerns
- * Provide families/concerned citizens with educational information and resources on programs and services available through DMH
- * Triage with other agencies and partners
 - DMH, DSS and DHSS constantly share/refer

Understand Our Role:

- * HIPAA—cannot discuss without permission
- * DMH has no authority or influence with programs/services/ providers who do not contract with us such as private sector entities
- * DMH cannot referee family disputes or issues with the public administrator but there are resources that can
- * We believe in our mission & recognize there are two sides to every story
