Redefining Case Management
The Division of Developmental Disabilities and the agencies providing Support Coordination worked in partnership to lay out the details regarding how Case Management will serve individuals who are Medicaid eligible and what supports will be offered to individuals who are not Medicaid eligible.

The redefining of case management covers the following areas:
- Individuals served and who is serving them
- Support Coordination Qualifications
- Intake
- Planning
- Monitoring
- Billing Rate
Redefining Case Management

Is the individual in Mo HealthNet (regardless of spend-down)?

- **YES**
- **NO**

Has the TCM Agency agreed to serve Non-Medicaid individuals?

- **YES**
- **NO**

Refer to Regional Office Information Specialists

If/When the person:
- Gets Medicaid
- Is ready to develop a plan for Autism Project
- Is ready for MOCDDS

Refer to the Regional Office CM team or TCM agency for case management

Medicaid/Non-Medicaid Definition

• **Medicaid Funded**: An individual receiving services from the TCM entity which are paid by MOHealthnet.
  - Includes individuals who have a large spenddown and may move in and out of services.

• **Non-Medicaid Funded**: An individual whose TCM services are not paid by MOHealthnet and has a history of not receiving any Medicaid funded services
  - Includes individuals who have a large spenddown and never meet the spenddown.
  - Includes individuals who are Medicaid eligible and residing in Title XIX nursing facilities.

Example: Maria

- 23 years old, Cerebral Palsy, no Medicaid
- Lives in a county that does not provide CM to those without Medicaid.
- Found eligible for DD, Referred to Information Specialist (I/S)
- Receives information targeted to age, location and diagnosis
- 6 months later, a periodic review of the Medicaid eligibility table shows MHN eligibility
- I/S contacts Maria and transfers case management to TCM agency.
Example: Adam

• 13 years old, ASD, no Medicaid

• Lives in a county that does not provide CM to those without Medicaid.

• Found eligible for DD, Referred I/S

• Receives information targeted to age, location and diagnosis – including training re Autism Project

• Parents use contact information at the bottom of the Autism Project training to contact I/S

• I/S has a person-to-person contact, verifies that the family wants to pursue Autism Project, and transfers CM to TCM agency.
Example: Sarah

• 10 years old, Intellectual Disability, no Medicaid

• Lives in a county that does not provide CM to those without Medicaid.

• Found eligible for DD, referred to I/S

• Receives information targeted to age, location and diagnosis – including training on MOCDDS waiver

• Parents use the contact information at the bottom of the MOCDDS training to contact I/S

• I/S has a person-to-person contact, verifies that the family understands and wants to pursue MOCDDS, and assists family through the process to obtain a MOCDDS waiver slot. The I/S hands off CM to TCM agency after obtainment of MOCDDS.
Information Specialist - Organization and System Benefit

System Benefit:
More actively promote Medicaid eligibility for those in DD.

System Benefit:
Content development and sharing of relevant information based upon:
* Diagnosis
* Location
* Age

System Benefit:
Manage the transition between non-targeted case management (information sharing) and targeted case management.
* Autism Project
* MOCDDS
* Medicaid Eligible
