Division Directive 3.090-Health Identification and Planning System (HIPS) Process

[Division Directive 3.090](#) Health Identification and Planning System (HIPS) Process has been updated. Updates include terminology and relocation of definitions to the DD Glossary of Terms. The HIPS instructions for Regional Office QE RN's are now located in DD [Guideline #77](#). The overall HIPS process for Health Inventories and Action Plans remain unchanged.

TCM and Provider roles are also referenced in the POS Contract and TCM contract.

Please refer to:

[Guideline #77](#)

[POS contract](#) 3.7.1 - 3.7.7,

[TCM contract](#) 3.6.11 (attachment E)
