

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

11/1/19

Access + Ability Exhibition
sponsored by Nelson-Adkins Art Museum

October 19, 2019 - February 9, 2020
Kansas City

Access+Ability features over 70 user-centered and inclusive designs developed in the last decade—from low-tech products that assist with daily routines to sensors that stabilize tremors associated with Parkinson's disease. Visitors will find innovations increasing the potential for all people to access the world.

Admission is free. For more information visit the Nelson-Atkins Museum of Art Website <https://nelson-atkins.org/events/access-ability/>.
