*Seeking Presentation Proposals for*

**4th Annual Charting the LifeCourse Showcase  
April 29-30, 2020  
Kansas City, MO**

The Showcase provides an opportunity to share ideas that demonstrate practical day-to-day solutions and specific implementation strategies on how the Charting the LifeCourse framework and tools are being used across different settings, for different target populations, and for achieving different outcomes.

**All presentation forms must be submitted by January 15, 2020.**

Click [here](#) to view the official Call for Presentation, which includes additional information regarding the types of presentations, as well as other information and guidelines for submitting a proposal. A fillable .pdf form can be completed and e-mailed through the above link.

For questions or additional information regarding proposals, please contact Carol Calhoun at [calhounc@umkc.edu](mailto:calhounc@umkc.edu).

Stay up-to-date about the upcoming Showcase through the [2020 CtLC Showcase website!](#)
