In the program totals above, individuals are counted once for each type of program they entered during the Fiscal Year (FY). Clients in the left-hand column above are described in the profile data below, based on their first program admission of the fiscal year. Individuals receiving only services in the right-hand column above are not included in the profiles. Clinical SATOP includes Clinical Intervention Program, Youth Clinical Intervention Program, and Serious and Repeat Offender Program.

Some FY2007 data are not comparable to data for FY2005 and FY2006 due to implementation of CIMOR information system and changes in data definitions. Statewide, regional, county, and profile category totals may not match due to non-inclusive categories and incomplete data.

In the program totals above, individuals are counted once for each type of program they entered during the Fiscal Year (FY). Clients in the left-hand column above are described in the profile data below, based on their first program admission of the fiscal year. Individuals receiving only services in the right-hand column above are not included in the profiles. Clinical SATOP includes Clinical Intervention Program, Youth Clinical Intervention Program, and Serious and Repeat Offender Program.

Some FY2007 data are not comparable to data for FY2005 and FY2006 due to implementation of CIMOR information system and changes in data definitions. Statewide, regional, county, and profile category totals may not match due to non-inclusive categories and incomplete data.

In the program totals above, individuals are counted once for each type of program they entered during the Fiscal Year (FY). Clients in the left-hand column above are described in the profile data below, based on their first program admission of the fiscal year. Individuals receiving only services in the right-hand column above are not included in the profiles. Clinical SATOP includes Clinical Intervention Program, Youth Clinical Intervention Program, and Serious and Repeat Offender Program.

Some FY2007 data are not comparable to data for FY2005 and FY2006 due to implementation of CIMOR information system and changes in data definitions. Statewide, regional, county, and profile category totals may not match due to non-inclusive categories and incomplete data.

In the program totals above, individuals are counted once for each type of program they entered during the Fiscal Year (FY). Clients in the left-hand column above are described in the profile data below, based on their first program admission of the fiscal year. Individuals receiving only services in the right-hand column above are not included in the profiles. Clinical SATOP includes Clinical Intervention Program, Youth Clinical Intervention Program, and Serious and Repeat Offender Program.

Some FY2007 data are not comparable to data for FY2005 and FY2006 due to implementation of CIMOR information system and changes in data definitions. Statewide, regional, county, and profile category totals may not match due to non-inclusive categories and incomplete data.

In the program totals above, individuals are counted once for each type of program they entered during the Fiscal Year (FY). Clients in the left-hand column above are described in the profile data below, based on their first program admission of the fiscal year. Individuals receiving only services in the right-hand column above are not included in the profiles. Clinical SATOP includes Clinical Intervention Program, Youth Clinical Intervention Program, and Serious and Repeat Offender Program.

Some FY2007 data are not comparable to data for FY2005 and FY2006 due to implementation of CIMOR information system and changes in data definitions. Statewide, regional, county, and profile category totals may not match due to non-inclusive categories and incomplete data.

In the program totals above, individuals are counted once for each type of program they entered during the Fiscal Year (FY). Clients in the left-hand column above are described in the profile data below, based on their first program admission of the fiscal year. Individuals receiving only services in the right-hand column above are not included in the profiles. Clinical SATOP includes Clinical Intervention Program, Youth Clinical Intervention Program, and Serious and Repeat Offender Program.

Some FY2007 data are not comparable to data for FY2005 and FY2006 due to implementation of CIMOR information system and changes in data definitions. Statewide, regional, county, and profile category totals may not match due to non-inclusive categories and incomplete data.

In the program totals above, individuals are counted once for each type of program they entered during the Fiscal Year (FY). Clients in the left-hand column above are described in the profile data below, based on their first program admission of the fiscal year. Individuals receiving only services in the right-hand column above are not included in the profiles. Clinical SATOP includes Clinical Intervention Program, Youth Clinical Intervention Program, and Serious and Repeat Offender Program.

Some FY2007 data are not comparable to data for FY2005 and FY2006 due to implementation of CIMOR information system and changes in data definitions. Statewide, regional, county, and profile category totals may not match due to non-inclusive categories and incomplete data.

In the program totals above, individuals are counted once for each type of program they entered during the Fiscal Year (FY). Clients in the left-hand column above are described in the profile data below, based on their first program admission of the fiscal year. Individuals receiving only services in the right-hand column above are not included in the profiles. Clinical SATOP includes Clinical Intervention Program, Youth Clinical Intervention Program, and Serious and Repeat Offender Program.

Some FY2007 data are not comparable to data for FY2005 and FY2006 due to implementation of CIMOR information system and changes in data definitions. Statewide, regional, county, and profile category totals may not match due to non-inclusive categories and incomplete data.

In the program totals above, individuals are counted once for each type of program they entered during the Fiscal Year (FY). Clients in the left-hand column above are described in the profile data below, based on their first program admission of the fiscal year. Individuals receiving only services in the right-hand column above are not included in the profiles. Clinical SATOP includes Clinical Intervention Program, Youth Clinical Intervention Program, and Serious and Repeat Offender Program.

Some FY2007 data are not comparable to data for FY2005 and FY2006 due to implementation of CIMOR information system and changes in data definitions. Statewide, regional, county, and profile category totals may not match due to non-inclusive categories and incomplete data.
