Licensing Rule 9 CSR 40-5.075 Adequate Staff

The Division of Developmental Disabilities is inviting public comment on [9 CSR 40-5.057 Adequate Staff](#). This rule applies to group homes and community residential programs that serve individuals with intellectual and developmental disabilities who **are not** part of a Home and Community-Based Waiver. These programs **are not** subject to the Division of Developmental Disabilities' Certification Standards for Community-Based Services, but **are required** to comply with DMH licensing regulations.

The proposed amendment updates the staffing requirements for **licensed** DD group homes and community residential programs.
