Webinar Rescheduled

MO State Plan Services

February 18, 2020

10:00 am

The Division of Developmental Disabilities will present an overview of Missouri Medicaid State Plan services. Medicaid, which is referred to as MO HealthNet in Missouri, is a federal and state program that covers qualified medical expenses for those who are determined to be eligible.

Presenters: Shelly Summers-Federal Programs, Division of Developmental Disabilities

Target Audience: Support Coordinators, Information Specialists, Technical Assistance Coordinators, and other Division staff
