DESE Model Alternative Curriculum

DESE Model Alternative Curriculum includes activities aligned to the Missouri Learning Standards to serve as models for creating lessons plans aimed at students with significant disabilities. Over 1,000 new instructional activities for students with severe disabilities are now released. The curriculum is publicly available on the [Build Your Own Curriculum \(BYOC\) website](#) or through DESE's website by going to [Missouri Schools for the Severely Disabled \(MSSD\) Curriculum](#).
