Employment Online Learning Community

Work Opportunity Tax Credit

Tuesday, June 23, 2020 - 2:00 to 3:00 PM

This session will feature guest presenters from the Department of Higher Education and Workforce Development including Yvonne Wright, Senior Manager, Policy and Partnerships and Jennifer Cheshire, State Coordinator, Work Opportunity Tax Credit Program. Participants will learn about benefits available to employers through the Work Opportunity Tax Credit (WOTC), important timelines and processes, who is included in WOTC target groups, and strategies for discussing WOTC with employers. The session will allow time for questions and open discussion among participants.
