Abuse/Neglect: Identification, Reporting, Prevention

The Division of DD Abuse/Neglect: Identification, Reporting, Prevention training is utilizing a new location. You can now access this online training through the MODD Content Self-Registration Portal. Directions for registering and additional information regarding this portal can be found at <https://dmh.mo.gov/dev-disabilities/education> under the Relias heading. To directly access this portal, go to: <https://moddcontent.training.reliaslearning.com/>.

After creating or logging into your Relias account you may browse Elective Courses. To find the MO Abuse/Neglect—Identification, Reporting, Prevention training, you can Browse by entering MO Abuse or 960785 in the Browse Elective Courses field.
