

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

7/17/20

StationMD

The Division is pleased to share the story of the partnership, service and hope provided through StationMD services highlighted in the KSHB ["Tele-medicine service available to Missourians with intellectual, developmental disabilities"](#) news cast in Kansas City.

Click [here](#) for more information on how to access and use the StationMD service. To schedule training or coordinate training needs, reach out directly to training@stationmd.com. For questions or concerns about StationMD service, please email MO-DMH@stationmd.com or call 1-908-663-2929 ext. 830.
