StationMD Seeing a Doctor is Quick and Easy

To see a StationMD doctor, dial **1-877-STATMDS (1-877-782-8637)** and the StationMD team will handle the rest. All eligible individuals have been pre-registered, and there are no "set-up" actions needed. The easy to use app allows for a video visit with board certified, specially trained physicians ready 24/7 to address medical concerns and answer questions. You may be asked to provide basic medical vital signs such as temperature before the evaluation and the StationMD navigation team is always available to assist you.

As a reminder, StationMD's service is free for Missouri's Medicaid Waiver recipients.

You can download the StationMD app on your smart phone or tablet so that it is ready when you need it. [Instructions for download are here.](#)
