## **MOQO & You: Daily Living & Employment Report**

The Division of Developmental Disabilities-Quality Enhancement Unit is distributing a series of *MOQO & You* Reports (formerly called *At-A-Glance* Reports). These reports are intended to inform and educate people about the Missouri Quality Outcomes and supporting data from National Core Indicators surveys. These reports can be found on the Division's [website](#).

The [newest MOQO & You Report](#) focuses on the Missouri Quality Outcome of Daily Life & Employment. Based on the *Charting the Lifecourse* framework, this report gives data and resources that may support individuals with I/DD across the lifespan.
