### MO Health Information Network (HIN) Onboarding Program

The State of Missouri's Department of Social Services is offering funding to all eligible providers to sign up for the MO Health Information Network (HIN) Onboarding Program.

This HIN Onboarding Program provides federal funding to cover some of the onboarding costs for healthcare service providers to participate in HIN with Missouri Health Information Networks. The onboarding funding covers some costs related to first-year HIN subscription fees and interface development. Payments under this program will be made to the HINs.

Funding for this project ends **September 30, 2021** so apply now to see if you can take advantage of this opportunity!

For more information, please visit <https://dss.mo.gov/mhd/hie-onboarding/>.
