Using Labor Market Information to Enhance Employment Services

Tuesday, May 25, 2021 from 2:00 PM – 3:00 PM

Discussion will include an overview of Labor Market Information (LMI), making informed decisions using LMI, and sources for accessing LMI. The session will be a blended session of instruction and group facilitation to engage participants across the state. Automatic captions will be provided during the session. Please email Jessica.keenoy@umb.edu with questions or accommodation requests.

Registration is required. Register [here](#).

Employment First Missouri, a collaborative between the Division of Developmental Disabilities and the Institute for Community Inclusion at University of Massachusetts-Boston, offers monthly professional development opportunities.
