## Financial Planning: National Disability Employment Awareness Month

Missouri State Treasurer Scott Fitzpatrick has recognized National Disability Employment Awareness Month (NDEAM).

MO ABLE currently has over 2,600 accounts and nearly \$20 million in assets under management, making it one of the largest ABLE programs in the country. Launched in 2017, MO ABLE allows individuals with disabilities and their families to save up to \$15,000 per year, tax-free, without losing federal benefits like Medicaid and SSI.

For more information about the MO ABLE program and to take an eligibility quiz, visit [moable.com](http://moable.com).
