### Application of Enhanced FMAP

On September 20, 2021, the Division received full approval to utilize the enhanced Federal Medical Assistance Percentage (FMAP) funds for HCBS rate increases effective July 1, 2021. Services approved for HCBS rate increase are: Group Home (GH), Individualized Support Living (ISL), GH/ISL Registered Nurse (RN) and Licensed Practical Nurse (LPN), and Personal Assistance.

The [Provider Memo](#) provides details about the approved rates and the Division's strategy for distribution of funds. If you have any questions, please contact your Provider Relations Vendor Service Coordinator.
