

Improving lives THROUGH  
supports and services  
THAT FOSTER self-determination.

10/18/21

**Developmental Disabilities Nurses Association Webinar Series**

Topic: Polypharmacy and I/DD

October 21, 12:00 (CST)

Dr. Deven Unadkat with StationMD will review the many challenges that caretakers and clinicians face with regards to polypharmacy and attempt to address the common root causes associated with the complications of polypharmacy in individuals with developmental and intellectual disabilities. Dr. Unadkat will address ways nurses can work collaboratively with doctors to help prevent the effects of polypharmacy.
