MO Division of Developmental Disabilities From the Director's Desk

Join Division Director, Jess Bax, for a new edition of From the Director's Desk. On this [podcast](#), Jess discusses Universal Design and Assistive Technology (UDAT) with Division team members Holly Reiff, Provider Relations Specialist for Assistive Technology, and Shelly Brown, Provider Relations Specialist for Environmental Accessibility and Adaption. The UDAT Team is a centralized statewide team of provider relations specialists supporting the Division's technology first and housing initiatives. A [transcript](#) for this podcast is also available.
