**Missouri Quality Outcomes Talking Points Series Episode 6:  
Advocacy and Engagement**

The Division has partnered with the UMKC-Institute for Human Development to develop the Missouri Quality Outcomes Talking Points Series. This video series will explain what the Outcomes are, what they mean to people with I/DD, and how the Division uses them to improve the quality of services.

The sixth episode gives an overview of the Missouri Quality Outcome of Advocacy and Engagement, with a focus on self-determination, guardianship, Supported Decision-Making, and Self-Directed Supports. The video is located towards the bottom of the webpage and is best viewed in Google Chrome or Firefox. To view, please visit the [Missouri Quality Outcomes Talking Points Series website](#).
