Employment Online Learning Community **Employment Service Toolkit**

Tuesday, February 22, 2022
2:00 p.m.

Participants will preview an employment toolkit designed to assist providers in incorporating best practices into service delivery. The toolkit includes options for Prevocational services, Career Planning, Job Development, Supported Employment, as well as employment service planning and team planning tools.

In addition to previewing the toolkit, participants will learn about an opportunity to join a community of practice that will be piloting the tools. [Registration](#) is required.

Please email Jessica.keenoy@umb.edu with questions or accommodation requests.
