Conference Registration is now Available*

Power Up 2022 Assistive Technology Conference & Expo

The Power Up 2022 Assistive Technology Conference & Expo is April 4 and 5 in Blue Springs, Missouri. [Registration](#) is now open.

Through sessions, exhibits, and demonstrations, the Power Up Conference showcases assistive technology (AT) for all ages and all disabilities, with a heavy emphasis on AT for use in educational settings.

General information, conference agenda, registration forms, and information on speakers, sessions, and exhibitors is available on [Missouri Assistive Technology's website](#). An early-bird registration rate of \$210 is available until February 15, after which, the rate increases to \$270. One-day conference registration is also available.
