Family Coaching Workshop Series

Free

Family Coaching Workshops begin Thursday, March 17, 2022, at 6:00pm via WebEx. This is an ongoing opportunity for families and caregivers to learn more about positive practices and receive support, coaching, and resources from DMH Division of DD Positive Supports Consultants.

Family Coaching Workshops are based on the [Tools of Choice](#) Curriculum, focused on positive supports, and strengthening relationships to create behavior change. For more information or to join see the workshop [flyer](#).
