NEW ConneXion Demonstration Now Available

The Division of Developmental Disabilities provides the MODD Content Self-Registration Portal, powered by Relias, to house Division created training modules. Modules in this portal are available to Division providers, individuals, families, and guardians.

The Division has added a new module to the MODD Content Self-Registration portal:

- ConneXion Walkthrough Demonstration April 2022
 - This module/recorded webinar showcases the requirements gathered and configured in the new system in the following focus areas: Global Search, Dashboards, Person Profile, Health Information, Contact Form, Message Center, Attachments, Appointments, Case Note, Tasks, Level of Care, Notification, Waitlist, Slot Management, Organization, Location and Staff modules.

Check out the previous ConneXion Demonstration modules located in the MODD Content Self-Registration portal:

- ConneXion Walkthrough Demonstration October 2021
- ConneXion Walkthrough Demonstration January 2022

A [recorded webinar](#) is available, Using the Missouri Developmental Disabilities—MODD Content Self-Registration Portal, that provides step-by-step instructions for using the MODD Content Self-Registration Portal. Information includes direction for registration, navigation, and obtaining certificates and transcripts. Additional resources can be found on the [Division's education page](#) under Relias Self-Registration Portals.

Additional information about the ConneXion case management system can be found on the [Division's website](#).
