

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

7/14/22

REGISTER NOW!

2022 Missouri Tiered Supports Summit
Nurturing Healthy Communities

Family Session is this weekend!
Registration is still open!

Includes presentations from change agents and behavior analysts from across the country.

Family Sessions

Saturday, July 16, 2022

10:30 - 2:00

Family Sessions are an ideal opportunity for parents, grandparents, caregivers, and the behavioral health professionals who support them to learn more about positive practices and at home implementation of Tiered Supports.

Professional Sessions

July 27-28, 2022

9:30-12:30

Professional Sessions provide an opportunity for agency administrators, supervisors, agency team members, coaches, DMH team members, family caregivers, and other behavioral health professionals to learn more about positive practices and implementation of Tiered Supports.

FREE CEUs available for RBTs, BCaBAs, and BCBAAs
