MO Health Risk Screening Tool (HRST) Process Steps to Begin

Agencies that provide Residential Services, Support Coordination, and/or Day Habilitation/Employment Services and are interested in implementing the MO HRST Process, can begin by going to the MO Health Risk Screening Tool (HRST) Project [webpage](#). Then, follow these steps:

1. Select the accordion heading that best describes your agency (Residential Service Provider Agency, Support Coordination, or Day Habilitation/Employment Service Provider Agency).
2. View the recorded webinar linked under the heading that best describes your agency.
3. Complete the survey question linked under that same heading.
4. The Division will contact you via email for the final step prior to gaining access to the MO DD HRST System.

Questions regarding the MO HRST Process should be directed to MODDHRSTProject@dmh.mo.gov.
