

Improving lives THROUGH supports and services  
THAT FOSTER self-determination.

1/26/23

### **MO HealthNet Training Opportunity**

MO HealthNet is offering **FREE** continuing education sessions for doctors, nurses, and pharmacists. Each session is created and presented by Relias and all are available as live webinars and will be recorded so you can earn continuing education credit on your own time. The list of topics and schedule is on the MO HealthNet Provider Training [Calendar](#). You do not need to be a MO HealthNet provider to register.

[Click](#) for more information about available trainings.
