February 22, 2023 10:00
February 28, 2023 1:00

Tools of Choice is an evidence-based program focused on the implementation of universal positive practices. This two-hour introductory training is open to community members, parents, and professionals. It covers key concepts of the Tools of Choice curriculum, including:

- What is Behavior?
- Building Positive Relationships
- How to Increase Desirable Behavior

Join the Positive Support Consultants in learning strategies to make positive change by implementing universal positive practices.

Presenter:

- Kathleen Deppeler, Director of Positive Supports

Target Audience:

- Anyone interested in learning more about Tools of Choice
