### Tools for Everyone

January 19, 2023  
1:00 p.m.

January 26, 2023  
9:30 a.m.

Tools of Choice is an evidence-based program focused on the implementation of universal positive practices. This two-hour introductory training is open to community members, parents, and professionals. It covers key concepts of the Tools of Choice curriculum such as: What is behavior, building positive relationships, and how to increase desirable behavior. Join the Positive Support Consultants in learning strategies to make positive change by implementing universal positive practices. Information presented at each training will be the same and is being offered two different dates for convenience.
