**Collaborating with Employers: Strategies and Tips for Supporting Students with Intellectual Disabilities on the Job**

March 23, 2023  
2:00 p.m.

Think College's National Coordinating Center at the Institute for Community Inclusion/UMass Boston will host a webinar about Strategies and Tips for Supporting Students with Intellectual Disabilities on the Job. They will share essential components, strategies, and tips for working with employers. Presenter, Jaclyn Camden, will share resources and examples of how to work in collaboration with employers to support students.
