

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

4/28/23

Family Care Safety Registry (FCSR)

Effective May 1, the FCSR registration fee will increase to \$15.00 due to the Highway Patrol's name-based criminal record search fee increasing to \$15. The fee increase results from statute and is required by the Patrol. The registration and background screening system (BSEES) is being updated to charge the new fee for online registrations, along with a credit card processing fee of \$0.55, for a total of \$15.55. [Click](#) for more information about the FCSR.
