Customer Service Survey

The Division of Developmental Disabilities is committed to delivering excellent customer service and excited to announce an email feedback survey. This anonymous survey provides an opportunity for everyone that interacts with the Division to provide feedback about their experience.

This feedback will allow the Division to ensure excellent customer service and implement training aligned with areas for improvement. Feedback can be provided using the [link](#) posted on the Division website or in the signature line of emails you receive from Division team members. Look for this button on the Division webpages:
